WRRC HF NET PREAMBLE

As of: 14-September-2015

Call up on 3.985 MHz at 1900 Hours (L) Every Thursday

Before beginning the Net the Net Control Station Operator should check to see if anyone needs to use the repeater. "This is _____ (Call sign). Does anyone need to use this frequency before we begin the West River Radio Club Emergency Services Net?" (Pause)

Calling the WRRC net (say this twice)

This is _____ (Call sign) calling the West River Radio Club Net.

The West River Radio Club Net meets every Thursday evening at 1900 hours local time on 3.985 MHz. All licensed amateurs hearing this Net Control Station are welcome to join the net.

Your net control this evening is _____ (call sign); my name is _____ (first name), and I am located in _____ (town).

The purpose of this net is to serve as a bonding mechanism for members of the WRRC and hams is southern Vermont and the surrounding area.

This is a directed net. Stations are not to "break" the net by calling other stations directly. Always go through the NCS.

Any station desiring to check-in to the net, please come now with your call sign, name, and location. (Remember to ask for additional check-ins after the initial call up, "Are there any further check-ins for the WRRC net?")

(NCS: proceed down the list of net check-ins asking for comments – ("N1nnn, this is K1nn, Your comments for the net.")

This has been a regular session of the WRRC Net. Net Control thanks all that participated,

The NCS may want to wish all a good evening, 73 and a reminder that we look forward to having you check in again next week on Thursday at 1900 Hrs (L)

Thanks for your participation. At this time I return this frequency to regular Amateur use at _____ (L). This is _____, out.

WRRC EMERGENCY SERVICES NET PREAMBLE

As of: 14-September-2015

Call up on 146.856 MHz at 1930 Hours (L) Every Monday

Before beginning the Net the Net Control Station Operator should check to see if anyone needs to use the repeater. "This is _____ (call sign). Does anyone need to use the repeater before we begin the West River Radio Club Emergency Services Net?" (Pause)

Calling the West River Radio Club Emergency Services Net (say this twice)

This is _____ (Call sign) calling the West River Radio Club Emergency Services Net.

The West River Radio Club Emergency Services Net meets every Monday evening at 1930 hours local time on the West River Radio Club repeater WR1VT located in Brattleboro, VT operating on 146.865 MHz with a negative offset and 100 Hz tone. All licensed amateurs hearing this Net Control Station are welcome to join the net.

Your net control this evening is _____ (call sign); my name is _____ (first name), and I am located in _____ (town).

The purposes of this net are:

To provide training for emergency preparedness and communications and to serve as a bonding mechanism for members of the West River Radio Club and hams within southern Vermont and the surrounding area

This is a directed net. Stations are not to "break" the net by calling other stations directly. Always go through the Net Control Station.

Any station desiring to check-in to the net, please come now with your call sign, name, and location.

> *(Remember to ask for additional check-ins after the initial call up, "Are there any further check-ins for the WRRC ARES net?")*

> *(NCS: proceed down the list of net check-ins asking for comments –*
> *("N1nnn, this is K1nn, Your comments for the net.")*

This has been a regular session of the West River Radio Club Emergency Services Net. Net Control wishes to thank all that participated, and reminds all stations that when there is a need to activate the West River Radio Club Emergency Services Net it will be announced on the WR1VT Repeater operating on 146.865 MHz.

Any member of the West River Radio Club Emergency Services group may initiate this net and act as the Net Control Station when they perceive a need to do so.

(The NCS may want to wish all a good evening, 73 or some such and a reminder that we look forward to having you check in again next week on Monday at 1930 Hours (L)

Thanks for your participation. At this time I return this frequency to regular Amateur use at *<Current Time>* (L). This is _____ (call sign), out.
